

Specialty Services Are a Big Deal

When adjusters have to jump through hoops to make referrals, they lose precious time. When it comes to specialty services, we have your back.

Apricus offers an extensive network of specialized solutions for unique circumstances, customizable delivery models, and ease of use for adjusters to provide outstanding results.

Durable Medical Equipment

When your workers need medical supplies, mobility devices, or medical equipment like crutches, wheelchairs, or walkers Apricus offers over 10,000 suppliers

Home Health

If you need in-home physical or occupational therapy or a skilled nurse, we can connect you with over 3,200 home health care providers

Diagnostic Imaging

If you're looking for MRIs, CT scans, X-rays or other diagnostic services, let us identify the best provider and schedule the appointment from our network of more than 7,000 providers

Transportation

When you need transportation via stretcher, wheelchair, shuttle, or ambulance, we can schedule services from over 26,000 drivers nationwide

Translation

For injured workers needing translation for correspondence or on-site appointment interpretation, we can connect you to more than 35,000 translators who cover over 200 languages

Home/Vehicle Modification

For ramps, support bars, vehicle retrofitting, and other specialized mobility devices, we have the expertise to get the job done correctly and on time

Specialty services represent **20% of work comp medical spend**
and are often foundational to workers' recoveries
