Richard Leonardo

Senior Vice President

Richard Leonardo is senior vice president of IME and Specialty Services. He joined Genex in 2019 and is a highly experienced executive with proven success directing sales and operations. With more than 15 years of experience, he has extensive knowledge of the insurance and managed care industries. Richard previously served as CEO of Ascential Care Partners and also held senior leadership positions at FairPay Solutions, Express Scripts and Healthcare Solutions. He began his managed care career with FairPay where he led the revitalization of the business, automating the specialty review process which led to significant profitable growth and an eventual sale to Mitchell International.
