Auto Casualty, Auto Physical Damage, Workers' Comp

2022 Enlyte Technology Executive Conference

Event Details

Start: September 12, 2022 @ 12:00PM EDT On-Demand End: September 14, 2022 @ EDT On-Demand
Location: Hotel del Coronado, Coronado, CA

The Enlyte Technology Executive Conference (enlyteTEC) is an invite-only event featuring the most impactful innovations and insights from the experts at Mitchell, Enlyte's industry-leading technology innovator. Join us for this two-day executive forum featuring experts in Auto Physical Damage, Auto Casualty and Workers' Compensation claims. You'll hear about technology advancements, performance benchmarking and claims data insights that will help you make the best technology decisions for your organization today and into the future.

The historic Hotel del Coronado near San Diego, California provides the ideal backdrop for enlyteTEC. Mark your calendar for September 12–14, 2022 to enjoy exclusive content, leading industry insights and plenty of opportunities for networking during this in-person conference.

To be invited to this event, please contact a representative from Enlyte, Mitchell, Genex or Coventry.

Stay Tuned for Our Full Agenda and Lineup

The enlyteTEC is an exclusive two-day event targeted specifically for casualty and collision repair executives who want to connect with the most knowledgeable insurance, business, technology, and service experts presenting on today's critical issues.

The conference will feature informative, inspired, technology and service focused main stage presentations and expert sessions, plus plenty of opportunities to connect and network during signature social events.

Content Important to You and Your Peers

enlyteTEC is an invite-only conference designed for claims and technology executives in Auto Physical Damage, Auto Casualty and Workers' Comp. Content will be developed specifically for executive leaders and decision makers seeking solutions for some of today's most pressing issues, including automation and straight-through processing, data insights, workforce challenges and the regulatory environment, just to name a few.

Ready to Attend?

Program registration will be complimentary. Attendees are responsible for air and ground transportation, as well as hotel accommodations during the conference.
