Addie Thomas

Senior Regulatory & Government Affairs Specialist

Addie Thomas is a senior regulatory and government affairs specialist for Pharmacy Solutions. Ms. Thomas holds an MPA and specializes in healthcare policies. She joined Mitchell in 2018 with a background in contract lobbying, marketing, and public relations. In addition to her work for Enlyte, she advocates for underrepresented groups to her state's legislature and was recently appointed to Enlyte's Diversity, Equity, and Inclusion Advisory Leadership Council, where she leads the education and awareness committees. Ms. Thomas has also worked on local and federal political campaigns and served as the communications director for a U.S. Senate candidate.
