Prescriptions for High Drug Costs

Event Details

When: March 23, 2023 @ 2:00PM EDT Where: Online Event Online Event

Drugs prices continue to drive higher claims costs. This course will assist claims professionals in their understanding of how drugs are developed, where fraud occurs, practices that increase costs, legislative and regulatory policy, and today’s work comp drug landscape. This course will also outline proven and potential policies and market forces that can help control high drug costs.
