Ergonomics

Event Details

When: September 21, 2023 @ 2:00PM EDT [On-Demand](#) Where: [Online Event](#) [Online Event](#)

According to the Bureau of Labor and Statistics, two million workers in America suffer from an ergonomic-related or musculoskeletal injury every year. Work-related musculoskeletal disorders are among the most frequently reported causes of lost or restricted work time.

This course will provide an overview of why/when to use ergonomics, ergonomics-related musculoskeletal disorders (MSD), risk factors, office and industrial ergonomics, and prevention.

PLEASE NOTE: In order to qualify for CE credits, you must attend the **LIVE** webinar event is being held only on **Thursday, September 21, 2023, from 2-3:00 PM Eastern time.**

2 P.M. ET / 1 P.M. CT / 12 P.M. MT/ 11 A.M. PT
