Enlyte

Comp Laude® Annual Awards and Gala 2017

Event Details

Start: October 24, 2017 @ 8:00PM EDT On-Demand End: @ On-Demand

The Comp Laude® Awards & Gala event is held each year, with the intention of changing the story of workers' compensation to a more positive narrative through educational content and recognizing those who positively contribute to the industry — including injured workers. Click here for the conference agenda. For an invitation to this event, please contact your Mitchell representative.

Norman Tyrrell Presents on Artificial Intelligence and the Future of Claims Management

Senior Director of Product Management Norman Tyrrell will sit on a panel to discuss the role of technology in the workers' compensation industry's future with other industry experts.

Session Title

Leveraging Artificial Intelligence: The Future of Claims Management

Details

Wednesday, Nov. 1, 2017 3:10 – 4:10 p.m. in Seaport DE

Description

In this session, Norman and the other panelists will explain Artificial Intelligence, discuss its relevance to the workers' compensation industry and explore ideas for how it could be used to benefit injured workers and improve outcomes.
