

Workers' Comp

Dental Trauma and Facial Injuries

Event Details

When: October 28, 2021 @ 2:00PM EDT On-Demand Where: Online Event Online Event

Each year, thousands of employees sustain on-the-job facial or eye injuries from accidents that could have been prevented with the proper selection and use of face protection. Such injuries cost industries more than $300 million per year in lost production time, medical expenses and compensation. This course is designed to increase awareness of dental and facial injuries in the workplace while highlighting the latest advances in surgical treatment and prevention equipment.

Earning CEU Credit
