Shahin Hatamian

Senior Vice President, Product Management

Each quarter, I round up and highlight some of my favorite articles written by Mitchell experts and let you know where we have been published outside of our mPower thought leadership website. This quarter, I'm excited to highlight an article from Rebecca Morgan, senior director of product management at Mitchell, which was published on WorkCompWire. Below I've included a link to the article and a list of my other favorite articles and casualty must-reads from this quarter!

Rebecca Morgan: Five Inevitable Technologies That Will Transform the Claims Process

By Rebecca Morgan
In this article, Rebecca highlights five technologies that she thinks will have a transformative effect on the workers' compensation claims process in the future.
