

Auto Casualty

America’s Claims Event

Event Details

Start: March 30, 2018 @ 8:00PM EDT On-Demand End: @ On-Demand

America’s Claims Event is "Where Claims & Insurance Innovation Converge"—bringing together professionals from across the property & casualty industry and all parts of the claims process. Hear from Mitchell on Monday, June 25th at 1:40 p.m. during our session called, "Five Steps to an Optimized Third Party Workflow." In this session, Mitchell experts Norman Tyrrell and Michael Fricke will share tips to help carriers optimize workflows based on their specific needs, ultimately helping improve outcomes and achieve efficient, fair and accurate settlements. In addition to this session, Mitchell, a silver sponsor for this event, will be available at the conference to discuss a variety of topics and trends, including:

- Auto Casualty and Workers’ Compensation End-to-End Claims Processing
- Medical Bill Review, our new Adjuster Workspace and other claims processing solutions
- Industry trends and compliance updates
