The New York Workers' Compensation Board is hosting a webinar for payers to help inform them on the coming changes related to the new drug formulary and the electronic portal for managing prior authorization requests. The Board is offering the payer webinar at three different times:

- Tuesday, October 15 at 12:00 pm ET
- Tuesday, October 29 at 12:00 pm ET
- Wednesday, October 30 at 1:00 pm ET

We highly recommend our customers doing business in New York take advantage of one of these webinars. To register, please visit the New York Workers' Compensation Board's website.

The Board is also offering a webinar for medical providers. Information on that webinar can be found at the same link.
