# Stay-at-Work/Return-to-Work Tools for Claims Handlers

## Event Details

When: February 22, 2024 @ 2:00PM EST Where: [Online Event](#) [Online Event](#)

This course will discuss the most effective tools available for claims professionals to facilitate stay-at-work/return-to-work and assist employers with implementing a culture of return to work. Claims professionals will learn the importance of timely SAW/RTW and effective methods of working with employers and providers to improving overall injured/ill employee outcomes
