

Benjamin Roberts

Vice President, Utilization Management

Ben Robert is responsible for the oversight of utilization management on a national scale at Enlyte. He has served in various roles in the managed care space including regulatory and compliance management, operations management, and client services roles. Prior to joining Enlyte, he served as executive vice president and general counsel of PRIUM, a medical cost management firm.

Roberts received his Juris Doctor from the University of South Carolina School of Law and a bachelor's degree from University of Georgia. He currently holds a license to practice law in Georgia.
