

Workers' Comp

Top Therapeutic Classes by Age of Claim in 2018

June 25, 2019 1 MIN READ

In this <u>video blog</u> we discuss the types of medications utilized by ill or injured workers can vary depending on the age of the claim and differences in claim population. Understanding the most-utilized types of medications in younger vs. older claims can help guide decision-making and aid in identifying opportunities for intervention that can lead to better overall outcomes. View the <u>video blog</u> to learn more.
