# Navigating the Landscape of Drug Formularies and Prescribing and Treatment Guidelines

November 4, 2018
1 MIN READ
Over the course of the next several years we can expect more and more jurisdictions to move towards adoption of legislative and/or regulatory measures as an effort to combat the nation's opioid crisis and to control prescription utilization and cost. Our latest video covers tools such as closed formularies and opioid prescribing limits, along with prescribing oversight measures such as treatment guidelines. View the video blog to learn more.
