Workers' Comp

Legal Nurse Review & Medical Cost Projections Overview

Event Details

When: February 2, 2019 @ 12:00AM EST On-Demand Where: Online Event Online Event

This session on Legal Nurse Reviews and Medical Cost Projections provides a detailed overview of these specialty case management solutions and how they assist adjusters and nurses in combating fraud, evaluating and setting loss reserves, and reducing overall workers' compensation, auto and liability costs. We discuss Legal Nurse Review services including Forensic Reviews, various types of Cost Projection solutions, and review real-life case scenarios and success stories.
