Workers' Comp

Risk & Insurance: 10 Workers' Comp Podcasts You Really Don't Want to Miss

August 23, 2020
1 MIN READ

When it comes to learning about the workers' compensation industry, there is a plethora of resources already at your fingertips.

From earning designations to webinars and other one-time resources, there are plenty of ways for workers' comp professionals to increase their knowledge of the industry. One of the newer resources for those working in the industry are podcasts. Easy to listen to while out on a walk or a drive, podcasts can help busy working professionals learn more about the industry without taking up too much time.
