IME National Provider Evaluation Checklist

October 5, 2016
1 MIN READ

Only a true national provider can give you:

- Peace of mind from National Practitioner Data Bank (NPDB) Continuous Query monitoring
- Access to experienced independent medical evaluators, not just a generic list of doctors
- SOC 1 accreditation
- Expansive geographic coverage
- National availability with local expertise

"I use Genex IME because it is very easy to make a referral and the job always gets done without any issues. When I need something I always get a live person." - Brian Swan, Adjuster

Genex is the 2nd largest IME provider nationwide, giving you a true national choice in providers.
