WorkCompWire: Archie Anderson: Time for a Fresh Look at the Independent Medical Exam

December 1, 2014 1 MIN READ Author profile image

Genex

For years the Independent Medical Exam (IME) has been a staple in the workers $\hat{a} \in T^{M}$ compensation claims resolution arsenal. We trot it out when claims linger, or when there $\hat{a} \in T^{M}$ s a possible question regarding a treatment plan.
