Dianne Kennedy-Benjamin

Compliance Specialist

Dianne serves as a Compliance Specialist 2 in Regulatory Affairs—Fairpay Flex Analytics and Government Affairs at Enlyte, where she leverages over 13 years of legal experience as a former Litigation Paralegal. Specializing in specialty bill review and government affairs, she utilizes her analytical rigor and inquisitive nature to master complex regulatory landscapes and develop proactive mitigation strategies. Dianne is recognized for her dedication to organizational excellence, a standard she carries into her personal life, where she considers raising her five beautiful children to be her most significant achievement. Her professional drive is complemented by a lifelong passion for connecting with people, a trait that enhances her collaborative approach to cross-functional compliance initiatives. Outside of the work environment, she continues to fuel her curiosity through reading and travel, seeking to understand the world with the same depth she applies to regulatory frameworks.
