The International Association of Industrial Accident Boards and Commissions (IAIABC) is an association of workers' compensation jurisdictional regulators and industry professionals that finds solutions to reduce harm and aid recovery from occupational injuries and illnesses. Enlyte is proud to be a returning sponsor of this year's IAIABC 112th Convention.

The IAIABC Convention brings together more workers' compensation jurisdictional agency leaders than any other conference in North America. In 2024, over 300 people attended, including representatives from 34 jurisdictions.
